Dt. 25.01.2025.

Sir

Sub:- Formation of The Telangana Retired Veterinarians Association – Registration No. 414 of 2024 – Information – Regarding.

-o0o-

We are very much pleased to inform that "The Telangana Retired Veterinarians Association" (TRVA) was registered with Registration No. 414 of 2024. This Association is a blend of all the retired Veterinarians who are residing in the state of Telangana irrespective of their field of expertise. As on date we have an enrolled membership of 230 members consisting of Retired Veterinarians from the Animal Husbandry Department from various cadres from the level of Veterinary Assistant Surgeons to the Directors. Our members include retired Officers from Administrative Services including few IAS and IPS officers including those worked under Central Government also. We have enrolled our members from various services like Research, Banking, Insurance, Dairy Development, Poultry industry etc., making it a comprehensive expert and experienced group of retired veterinarians.

Our main objective is to bring together all this experience and expertise on a common platform and utilise their services for the benefit of the farming community and welfare of the Livestock.

In this connection we request the Principal Secretary, AHDD & Fisheries Department, that the V&A.H. department may utilise the experience and expertise of this association in the best possible manner in order deliver better services to the Livestock and farming sector.

We assure you all the support and cooperation in the betterment of the Department.

GENERAL SECRETARY
(Dr. G. Durgaiah)
